Hi Jody;

As the quarter end reporting deadline approaches, I wanted to clarify a few points on the following teacher housing reports:

1. **Brevig Mission** (206-06-I)
2. **Unalakleet** (251-06-I)
3. **Buckland** (251-06-C)
4. **Noorvik** (251-06-E)
5. **Buckland** (251-06-D)

For all of the above projects, construction activities are completed and closeout activities are occurring. However, A project closeout report cannot be submitted into the database until we receive all final reports, including a Project Total Cost Certification.

We will need these reports to be extended and the report type in the database to be changed to a Project Status Report.

For the following projects, the Northwest Arctic Borough School District declined our award offers and the following reports need to be deleted from the database system:

1. **Selawik** (THP-08-NAB-1)
2. **Shungnak** (THP-08-NAB-3)

No grant agreements were issued for these awards. A copy of the letter of refusal was mailed to Kathy Berzanske on 4-22-2008. Information about the School District's refusal of funding was reported in last quarter's Quarterly Status Reports. I have attached a copy of the denial letter to this email.
